

Spring 2024

Dear Parents and Carers,

Spring term was very busy with lots to celebrate and many exciting things going on around the school.

Some of the highlights from Spring term include many fantastic trips, exciting PE opportunities and World Book Day. This year, for World Book Day, Zoe Saunders visited Lavender Field to lead a sensory story and an illustration session with the children. The children were allowed to dress up as their favourite book characters and it was wonderful to see so many wonderful costumes and such great engagement from the pupils.

We held our first bake sale for Red Nose Day. The children enjoyed preparing and selling their cakes and bakes and we raised a massive £201.90 for charity.

Our Easter Fayre was a great success and it was excellent to have so many parents and carers sharing in our event. We are very proud of the children's enterprising ideas and we look forward to seeing how they build on their success at the Summer Fayre.

What's New?

- ❖ We have welcomed some new staff and pupils over the course of the spring term who have all settled into life at Lavender Field very quickly.
- ❖ Brian Sims became our new Executive Headteacher.

What's coming?

- ❖ Sports Day for pupils.
- ❖ Summer Fayre.
- ❖ Summer Concert.

We are looking forward to summer term and all of the exciting activities we have planned.

Thank you,

Brian, Neil, Lauren, Felicity, Nikki and all of the Lavender Field team.
